

Question #	RFP Section	RFP Text	Question	NMHIX Response
Attention:				
These questions were inadvertently excluded from the initial compilation of answers to the RFP questions.				
133	BSRM FM 3	Ability to print a barcode on the bill for policyholders making payment at point of sale vendors.	Currently the system supports printing barcodes on invoices for PayNearMe. What are the point of sale vendors that beWellnm requires?	The point of sale vendor selection has not been determined.
134	BSRM FM 22	The Offeror must print the mailing address (lock box) for premium payments on the bill.	Clarification - Is the mailing address the location policyholders are to send in premium payments or a returned mail address?	This is the mailing address policyholders will send their premium payments.
135	BSRM FM 37	The Offeror must send policyholder subscribers a notification of upcoming payment.	Is there a notification channel requirement? Paper and email, or both?	Email notification only.
