*Valuable information for Prospective Agents & Brokers*

Here at beWellnm, we support our New Mexico Broker Community, and we would love to have you onboard as a broker. Our goal is to help you help your community, while also growing your business.

## Join Our Team & Support Our Communities

### **At beWellnm, we support our New Mexico agent and broker community...**

We want to let you know that we are committed to you by providing the right tools to help your clients with their health insurance needs and we also want to help grow your business.

You have a unique opportunity to help your community find the health coverage they need during these uncertain times. As many New Mexicans experience loss of health coverage due to unemployment or income change, you could help them find health coverage through beWellnm. It's as simple as getting certified as a beWellnm certified agent or broker.

BeWellnm certified agents and brokers have access to resources like marketing and advertising materials, and event support to help you serve your community.

To become a certified agent or broker please contact Ana Ledezma at [ana@ahcnm.org](mailto:ana@ahcnm.org).

Together we can get New Mexicans insured!
