

Proof of Employer Coverage Form

Print or download this form to collect information about employers that offer traditional health coverage to anyone on your beWellnm application. Complete one form for each employer that offers coverage. You'll need this information to complete the application, even if no one enrolls in coverage through their job (or the job of another person, like a spouse or parent).

If someone works for a business that offers help paying for a health plan or health care expenses through a Health Reimbursement Arrangement (HRA), don't use this form. Look at the notice from the employer for the information you need to complete your beWellnm application. Visit beWellnm.com to learn more.
