### Spread the Word and Give the Gift of Health

Whether you are already a certified broker or have not yet joined us, the best gift you can give some New Mexicans this holiday season may be information about health insurance opportunities.

Please help us spread the word that:

- 1) **December 23** is the deadline for qualified applicants to enroll with [beWellnm](#) to receive health insurance starting January 1, 2022.
- 2) Health care insurance plans through beWellnm are more affordable than ever in 2022 since the American Rescue Plan Act has facilitated reductions to new plan rates by 75 percent to 100 percent in some cases. Four out of five New Mexico residents who are eligible for coverage through beWellnm qualify for a plan for about \$10 or less.
- 3) Residents who cannot enroll by December 23 have until January 15 to receive coverage starting February 1, 2022. Two open enrollment events remain for anyone needing additional information:

- **January 5:** 3-7 p.m. Cesar Chavez Community Center, 7505 Kathryn

Ave. SE, #5260, Albuquerque

- **January 12:** 3-7 p.m. San Juan College/Henderson Fine Arts Bldg., 4601 College Blvd., Farmington

## Critical Reminders

Please make a note to remind your clients that:

- Premium payments for 2022 coverage will be made to the New Mexico Health Insurance Exchange.
- They must pay their insurance premium by December 23 for coverage to start January 1, 2022.
