beWellnm for Individuals & Families

Spread the News and Give the Gift of Health by December 23

It's not too early to encourage New Mexicans in your networks, at your office, and in your community to make an intention for better health in 2022.

Sharing information is as easy as 1,2,3 or DAC - deadline, affordability & choice:

1) Deadline: December 23. Individuals and families who enroll in a health insurance plan by December 23 with [beWellnm](#) will receive benefits starting January 1, 2022.

2) Affordability: Health insurance is more affordable than ever in 2022. Four out of five residents who are eligible for plans through beWellnm qualify for a plan for about \$10 or less; many will pay 75 percent to 100 percent less than in previous years due to the America Rescue Plan Act.

3) Choice. BeWellnm now has six insurance carriers – the most in a single year since the organization’s inception. This means greater choice and flexibility for enrollees. Participating providers are Ambetter (from Western Sky Community Care); Blue Cross and Blue Shield of New Mexico; Friday Health Plans; Molina; Presbyterian Health Plan; and True Health New Mexico.

Where/how can New Mexicans enroll?

- Visit beWellnm.com.
- Call the Customer Engagement Center at 833.862.3935. It is now 100 percent staffed by New Mexicans since beWellnm transitioned from the federal marketplace to a fully state-operated exchange.
- Attend an upcoming enrollment event.

Enrollment Events

Residents who cannot enroll by December 23 have until January 15 to receive coverage starting February 1, 2022.

The two remaining enrollment events at which residents can gather information, compare plans, and enroll are scheduled for:

- **January 5:** 3-7 p.m. Cesar Chavez Community Center, 7505 Kathryn Ave. SE, #5260, Albuquerque
- **January 12:** 3-7 p.m. San Juan College/Henderson Fine Arts Bldg., 4601 College Blvd., Farmington
