# Those Experiencing Major Life Change

New baby? New house? Just married? There's a Special Enrollment Period (SEP) designed just for these situations. The SEP enables individuals experiencing a major life change to enroll for affordable health insurance now through beWellnm.

Events that could qualify a person for enrollment include:

- **Loss of minimum essential health coverage**, such as through loss of a job or loss of coverage through a parent's plan;
- **Changes in household**, such as getting married or divorced, having a baby or adopting a child, or experiencing a death in the family;
- Or a **change in residence**, including a recent move to New Mexico or a change in ZIP code.

For a more detailed list, please visit [beWellnm.com](https://beWellnm.com).

Unenrolled qualified individuals, current enrollees, and any dependent(s) can enroll in or make changes to their plan selection within 60 days of the qualifying event, which also must be reported to beWellnm within 60 days of the event. Loss of minimum essential coverage can be reported 60 days before the event.

The SEP is underway until October 31. We would appreciate your help sharing this message among your network.

For anyone needing assistance with enrollment, the beWellnm team of certified enrollment counselors, agents, and brokers are free and available for appointments at (833) 862-3935, or online at [beWellnm.com](https://beWellnm.com).
