Now, more than ever before health insurance plans starting January 1, 2023 are affordable!

Look for the Turquoise Plan Marker

Turquoise Plans provide extra savings on out-of-pocket costs. When you shop for plans, you will see a “Turquoise Plan” marker to let you know which plans qualify for these extra savings. Check your options [here](#) to make sure you are getting the best deal.

Furthermore, all health plans offered through beWellnm provide the following 10 essential health benefits:

1. Ambulatory patient services
2. Emergency services
3. Hospitalization
4. Maternity and newborn care
5. Mental health and substance use disorder services, including behavioral health treatment
6. Prescription drugs
7. Rehabilitative and habilitative services and devices
8. Laboratory services
9. Preventive and wellness services and chronic disease management
10. Pediatric services, including oral and vision care

****To reap savings on out-of-pocket costs, consumers must meet the required federal poverty level and select a Turquoise Plan.***

Year 2023 plans are offered by the following providers:
